December is the time to commit fully to recital preparations. Mark your calendars! Our staff is making plans to include you in the routines unless we are told otherwise. A lot of thought and planning are put into each class and the number of participants affects the choreography. Attendance to all classes, rehearsals AND performances is absolutely necessary for everyone involved.

- Each costume averages \$65.00 and may be used for two classes.
- Allow one deposit for every class your child takes each week.
- Combo classes need only one costume.
- Orders for costumes cannot be cancelled. DEPOSITS ARE NON-REFUNDABLE.
- We must order costumes before classes begin in January.
- Costume balance due with February tuition

\*\*\*If you have a problem or will not be in one or both of the recitals please let us know ASAP

## CHRISTMAS BREAK: ONLY 2 WEEKS!!

Everyone will miss 2 WEEKS of dance over the holidays, however, tuition payments will remain the same. WHY?

- 1-Several months have more than 4 weeks.
- 2-We dance on several school holidays to make sure our classes average 36 classes/9 months.
- 3-If you decide to miss December classes you will still be responsible for full tuition. We are offering dance classes-it is up to you to attend.
- 4-This is standard procedure for all dance studios.

PLEASE attend all scheduled classes in December. We are off to a great start and do not need to miss more than 2 weeks of training!

**We will be measuring for costumes before the holidays too!**

## THE NUTCRACKER IS COMING TO LAKE CITY!

This is a professional production by Dance Alive National Ballet Company ([dancealive.org](http://dancealive.org)) and includes 40 local dancers and tumblers.

FRIDAY, DECEMBER 17<sup>th</sup> 4:00 & 7:30

Florida Gateway College Performing Arts Center

TICKETS: <https://fgc.thundertix.com>  
\$15 General Seating

Our classes have always started and ended on time! Please arrive at the studio in time for your child to be checked in and get ready for class. When students rush into class, they can be injured and their focus is affected. This also is distracting for teachers and other students.

Remember: ON TIME IS LATE.....EARLY IS ON TIME
